AMENDMENT

Sir:

This Amendment is being filed in response to the Office Action that was mailed April 11, 2003. Kindly amend the above-identified application as follows:

IN THE CLAIMS

Cancel claims 8 to 12 and add the following new claims 13 to 15.

13. (new) A cosmetic product container, comprising a container body and at least a covering element, said container body and covering element being made as a single piece of a first material, said container body and said covering element having between them an integral strip hinge, said covering element being provided with a gasket, wherein said gasket is also an integral part of said covering element and is made of a second material different from said first material and wherein said container body, said covering element and said gasket are made by bi-injecting said first and second materials respectively, thereby providing a single piece container body, covering element and
